1. INTRODUCTION

1.1 Overview

Tourism industry has globally emerged as a major catalyst of socio-economic development. Presently the travel and tourism industry has a share of 10.4% in the global GDP and supports one in ten jobs worldwide as per the 2018 World Travel & Tourism Council (WTTC) report. Economic Impact Research report of WTTC in 2018 has forecast India to be among the world's fastest-growing tourism economies in coming years and travel trade is likely to add 10 million jobs to the economy by year 2028.

1.2 Rajasthan Tourism -Initiatives

Rajasthan is a vibrant state richly endowed with tourism resources. The state not only has the most beautiful desert in the world but the entire landscape is dotted with diverse tourist attractions, experiences and products. The built heritage, reflecting the State's royal past has a unique appeal and attraction, as seen through its grand forts, palaces, temples and other heritage properties. With all its natural advantages, Rajasthan has been a pioneer in evolving unique tourism products, be it the launch of the Palace on Wheels luxury train in 1982 or creation of the festival experience like Pushkar Fair or adaptive reuse of heritage properties as tourist destinations.

The State granted the tourism sector the status of industry in 1989 and has since extended many fiscal incentives for the sector, beginning with the capital investment subsidy in 1993.

In order to give the sector a rapid boost, the State Government launched the 'Rajiv Gandhi Tourism Development Mission' in the year 2001. This Mission heralded a new era of tourism development in Rajasthan. In order to give a planned and focussed approach to tourism development, the state also announced the 'Tourism Policy of Rajasthan' in 2001, becoming one of the first states in the country to announce such a policy. This policy became a roadmap for attracting investment and fostering increased footfall of domestic and foreign tourists and was a stepping stone for subsequent policies such as the Hotel Policy 2006, the Rajasthan Tourism Unit Policy 2007, and subsequently Rajasthan Tourism Unit Policy 2015, henceforth referred as RTUP 2015. These policy initiatives helped increase the tourist arrivals in the State from 8.4 million in the year 2001 to 52 million in 2018.

1.3 Need for a New Tourism Policy

The implementation of the State Tourism Policy 2001 paved the way for several initiatives such as tourism infrastructure development projects, announcement of several fiscal and tax concessions for new tourism units and hotel projects, introduction of new fairs and festivals, public-private partnership projects, aggressive marketing campaigns etc. During the period of 2001-2019, Department of Tourism won several prestigious and prominent travel awards including the National

Tourism Awards conferred by Ministry of Tourism, Government of India. In order to meet the challenges of ever evolving demands of the tourism sector and national and global competitiveness, the need is now felt to bring out a new Tourism Policy for laying down a future roadmap for the development of Tourism Sector in the State. Recognizing the importance of the tourism sector, the state government has accorded thrust area status to tourism under Rajasthan Investment Promotion Scheme 2019.

1.4 Rajasthan Tourism Policy, 2020 : Vision

To reposition Rajasthan as a preferred tourism destination for both domestic as well as international tourists by offering tourists a high quality experience, and through responsible and sustainable policies ensuring conservation of natural, historical and cultural heritage of the State while simultaneously accelerating socio-economic development by improving livelihood opportunities for the local population.

1.5 Rajasthan Tourism Policy, 2020 : Objectives

- a. Promote Rajasthan as a leading tourism brand in national and international markets.
- b. Strengthen and diversify existing tourism products.
- c. Provide innovative tourism products and services with focus on lesser known destinations especially in rural areas.
- d. Improve the connectivity of tourist destinations through road, rail and air.

- e. Expand tourist accommodation infrastructure.
- f. Broad based promotion and marketing of tourism products.
- g. Facilitate tourism specific skill development to create gainful self-employment.
- h. Create suitable mechanisms to promote effective inter-departmental coordination.
- i. Take steps to encourage private sector investment in the State.
- j. To provide a safe and secure environment for tourists and in particular women travellers and also improve tourist grievance redressal systems.
- k. To empower the department with suitable administrative structure for extending approvals for establishment of tourism units.
- l. Market research and developing statistics grid development framework for better policy making and forecasting.

1.6 Rajasthan Tourism Policy, 2020 : Policy Period

The Rajasthan Tourism Policy, 2020 shall remain in operation for a period of 5 years from the date of its notification or for a period as may be determined by the Government or until substitution by another policy, whichever is earlier.

2. ENHANCING PRODUCT EXPERIENCE – EXPERIENTIAL TOURISM

It will be the endeavour of the department to enhance existing tourism products and also offer new tourism products, enriched in experiences.

2.1 Iconic Monuments and Heritage Areas

The department will identify 2-3 prominent monuments/ sites in each of the seven administrative divisions of the state. These sites will be developed as Iconic Monuments / Sites offering a holistic visitor experience by adopting best practices in ticketing, tourist amenities, guides / audio guides, augmented reality experiences through mobile sets / headgears, evening events such as cultural programs/ night bazaars etc.

These sites will be managed independently by existing District Tourism Development Committees so as to give suitable administrative and financial flexibility for day to day working. These committees will ensure management of the sites and create a resource pool by dovetailing resources of other departments.

2.2 Special Heritage Village / Craft Village

Rajasthan is richly endowed with many villages where prominent heritage hotels or heritage sites are located or a popular art or craft form is practiced. A village or a cluster of

villages will be identified in each district and declared as a 'Special Heritage Village' (SHV) or a 'Special Craft Village' (SCV) as deemed fit. A long term master plan will be prepared for these SHVs and SCVs and development works will be taken up accordingly for promotion of such destinations. The District Tourism Development Committee will be made responsible for managing these destinations.

2.3 Experiential Tourism

With a growing demand for new "experiences" several private stakeholders are offering exciting and innovative experiential tourism products which require support of the Government especially for marketing and promotion. The Department will compile a data base of all such offerings and publish an e-brochure for dissemination of information about them through its web portal and social media platforms. The Department will also bring out guidelines for certification of such products. An incentive scheme will be brought out for startups in the tourism sector which create such new experiential products in the thrust areas mentioned hereinafter.

2.3.1 Desert Tourism

- a. In order to promote Tourism in the desert areas emphasis would be laid down on promotion of desert adventure sports, horse safaris, jeep safaris, camel safaris and desert camps. A regulatory framework for safe and secure conduct of safaris

will be introduced. An incentive scheme for promoters in this sector will be brought out.

- b. Pristine locations with beautiful sand dunes in untapped areas such as stretches around Sambhar, Pushkar, Nagaur, Bikaner will also be identified and promoted as new desert destinations.
- c. The desert is an attractive location for film shootings. An incentive scheme will be introduced to attract both national and international film makers to such destinations.
